

## Consent educational use

This statement is given by the undersigned,

<i>Surname</i>	
<i>Name</i>	
<i>Date of birth</i>	

*\* In case of being under 16 years old, your legal guardian must sign this form.*

It is my understanding that:

- iMMO seeks to perform assessments to the best of quality standards, offering its assessors a continuous programme of education;
- in doing so iMMO uses the experiences of prior assessments, using gathered information which has been made anonymous and is not traceable to individual persons;
- assessed persons in the future may benefit from these experiences;
- I am not obliged to give permission to use materials from my assessment;
- granting or denying permission to use materials from my assessment for educational purposes within iMMO has no influence on the granting of my own assessment, how it is performed or on the results and report.

### I grant permission

- for iMMO to use materials collected in my assessment for educational purposes of assessors, without the information in the materials being personally recognizable or attributable to me. All persons concerned are bound to confidentiality with regard to this information.

### I have been able to consult

- the complaints procedure and privacy regulations.
